DESMITIFICANDO EL CONCEPTO FAMILIA EN SINTESIS Lindy Giacomán,2024-10-29 DESMITIFICANDO EL CONCEPTO FAMILIA EN SINTESIS es un libro que resulta indispensable para quien pretende hacer una familia hoy en día. Lo es por muchas razones. Les haré ver la realidad de la familia idealizada y mitificada que se ha promovido a través de los siglos y que nos ha traído hasta aquí a la NO valoración de la familia ni los valores ni familiares ni sociales no digamos humanitarios. En el desarrollo de estos capítulos podrás encontrar el camino que te llevará a construir una familia funcional como el Amor es la llave de todas las puertas que el programa nos cierra y convierte las familias en disfuncionales. Otra clave es ver y defender la propia necesidad para poder ver la de nuestros hijos la de todos los que nos rodean. Otro punto que veremos a fondo es enfrentar el miedo. Y graficamos en dos columnas como es la guerra entre el Ego y el Alma y como si escuchamos la voz del Alma y no la voz del Ego podremos crear sin lugar a dudas una familia funcional y salvarnos de todos los errores que la hacen disfuncional. No voy a decir que hay cientos sino realmente miles de preguntas que surgen tanto en los padres como en los hijos ante lo que es considerado familia que según todos dicen y anuncian hasta en los comerciales es lo mejor que le puede pasar a un ser humano y quien no tiene una familia realmente tiene que sentirse mal no merecedor infeliz desafortunado y totalmente perdido. Y hay casos en que personas con todo un clan se sienten exactamente así. Este libro nos invita a revisar seriamente este concepto tan sobrevaluado y que en realidad no debiera ser sobrevalorado sino valorado en verdad si fuera lo que dicen que debe ser. Por qué no lo es. Hay muchas razones la principal de ellas es porque nos programan desde la etapa prenatal. Y estar programados hace imposible lo que dicen que deberíamos ser una familia no exagero lo hace realmente imposible además de llenarnos de neurosis muchas veces tan severas que nos llevan al suicidio. En estas páginas descubrirás el por qué la familia no es lo que tendríamos que ser y qué es necesario que ocurra para lograr que sea lo que todos somos que sea. Desmitificar un concepto de miles de años no es fácil pero empiezo por hacerme la pregunta que todas las madres y padres se hacen cuando descubren que sus hijos no son los que creían que no les confían lo que les pasa y que es lo verdaderamente importante o hacen cosas que no comprenden o que jamás pensaron que serían capaces de hacer y la pregunta es ¿quién tiene más derecho que un padre o una madre a saber a qué ser humano le ha dado Vida a quién ha traído al mundo. Esta y otras preguntas son claves en este libro preguntas que todos nos hacemos en algún momento de nuestra Vida tales como ¿Me querrán mis hijos o mi pareja o mi papá o mi mamá si supieran quién soy en realidad. ¿Me querrán los que dicen que me aman si descubren que soy esto o aquello que ellos reprueban castigan critican censuran juzgan condenan incluso. ¿Quise mal como padre o como madre para que mi hija o hijo haya salido con esto haya sido capaz de hacer tal cosa o de terminar quedándose en un asilo a donde ni siquiera me vine a ver. ¿Debo tener hijos en realidad tengo vocación para ser responsable de otra vida si no lo soy ni de la mía. Hay manera de no sentirse solo o sola en algún momento de la vida.

especialmente en la ancianidad aun cuando se tiene una familia grande Por qu aunque des todo no recibes ni una partecita de lo que diste y de cu nto te sacrificaste como persona especialmente como padre o madre o como hijo o hija Y as como los padres tienen mil preguntas las tienen tambi n las hijas Pondr un s lo ejemplo Tuve un paciente que me pregunt C mo puede mi madre decir que prefiere un hijo muerto que en pecado C mo le voy a decir lo que me pasa Con toda raz n nunca le confesar que la verdadera raz n por la que no me caso y no de doy los nietos que tanto anhela es porque soy gay muerto me prefiere muerto Y esa mujer que es mi madre y s que me lo dice sin imaginar lo que est haciendo Y soy yo que necesito que me entienda el que tiene que entender que su columna vertebral es la religi n y c mo est planteado lo bueno y lo malo Necesitar a varios vol menes para registrar todas las preguntas las historias o las cosas que me han confiado mis pacientes como este muchacho gay que es un ejemplo de muchos hijos incomprensidos En fin ese es el objetivo de esta obra hablar de todas esas cosas que surgen en los padres y en los hijos en las personas solteras las que nunca tuvieron hijos las que los tuvieron sin casarse en las que se casaron y luego descubrieron que ten an una orientaci n sexual diferente De todas esas cosas que el programa hace que nos vemos obligados a sostener sin sentir las pero lo hacemos por el miedo a ser rechazados Lo que provoca cosas verdaderamente tr gicas triste terribles como seres humanos que son totalmente transparente y se pasan la vida fingiendo que son lo que no son porque si se muestran no tendr an clientes o pacientes o amigos o incluso padres y familia En fin trato de abarcar hasta donde me da mi capacidad sin duda limitada todas las preguntas que se hace un ser humano acerca del concepto familia sin importar su clase social su estado civil su edad su raza su religi n su orientaci n sexual su color de piel sus costumbres su programa su cultura el tipo de relaci n de pareja el n mero de hijos o ninguno y dem s Y deseo fervientemente cumplir con el objetivo de que la Psicom stica realmente sea para todos y nos lleve a todos a elevar nuestro nivel de Conciencia con el fin de no hacernos da o ni hacerle da o a quienes amamos Y poder hacer realmente lo que queremos amar a los que amamos ser amados sin secretos ni con un absoluto respeto
